Thank you for choosing us as your health care provider. Please understand that payment of your bill is considered part of your treatment. The following is a statement of our **Financial Policy**, which we require you, the patient or guarantor, to read and sign prior to any treatment. You are required to present a valid insurance card at your first visit and as needed throughout your care. We will not become involved in disputes between you and your medical insurance company regarding eligibility, co-payments, co-insurance payments, covered charges, etc. other than to supply factual information as necessary.

PLEASE REMEMBER THAT BILLING YOUR INSURANCE COMPANY IS A SERVICE WE CHOOSE TO PROVIDE AS A COURTESY TO YOU, THOUGH WE ARE NOT REQUIRED TO DO SO.

- All copays, coinsurance, and deductible amounts must be paid at the time of your appointment.
- A $25 fee will be added to all returned checks.
- It is your responsibility to make sure all required referrals and physician prescriptions are obtained prior to treatment.

Please initial next to each section

___ **Contracted Insurance:** If we are currently a contracted provider with your insurance company, we will bill them for you. You must have a current insurance card with the billing address. In the event your insurance company denies the claim, Touchstone Physical Therapy and Wellness retains the right to bill you as the responsible party for reimbursement. If you have a deductible, we require that you pay at least $70.00 at each visit until your deductible has been met. The actual amount due for each visit may be more than $70.

___ **Motor Vehicle Accidents:** If you are receiving treatment as a result of an automobile accident, you are responsible for paying any unpaid portions of your bill not covered by the Personal Injury Protection (PIP) clause of your automobile insurance or your medical insurance. Because you are receiving these services, you have the final responsibility to pay for those services. We also require that you provide your medical insurance information at your first visit. If your PIP is exhausted, we will bill your medical insurance, however, you will be responsible for any balance not paid by your medical insurance carrier including, but not limited to, co-insurance, co-payments and deductibles. You must complete our auto insurance paperwork prior to your first appointment.

___ **Missed Appointment Policy:** Please be considerate and call 24 hours in advance to cancel. If you do not give 24 hour notice or do not show for two consecutive appointments, then we reserve the right to cancel all future appointments.

___ **Late Arrival:** It is imperative to arrive on time. Your late arrival will impact your treatment session, as well as other patients scheduled that day. If you arrive more than 15 minutes after your scheduled appointment time, we reserve the right to schedule your appointment for another day.

___ **Collection Agency:** Please note that in the event that you fail to make payment when due, this account may be referred to a collection agency for collection. In that event, the contingency fee assessed by the collection agency will be added to the principal and interest due as well as any attorney fees—these fees will increase the balance you owe.

___ **Changes to Insurance Coverage.** If there are any changes to your insurance, you are responsible to advise us of those changes and present the new card for our records

___ **Usual & Customary Rates:** Our practice is committed to providing the best treatment for our patients and we charge what is usual and customary for our area.
